# In Memory of Windy Patricia Gallager

(Dec. 7, 1970 — Oct. 13, 1987)

Tragedy struck Calumet High School in the year 1987. A very dear friend and fellow classmate Windy P. Gallager died. But even as she has passed on, her memory still lives on in our hearts and minds. Windy came to the Lake Ridge School system in 1985, which was her freshman year. She participated in the Warriorettes and was the manager of the swim team. Windy was indeed a very loving and caring young lady. We will miss the sight of Windy's cheerful, reassuring face and that gentle air about her immensely.

## In Our Thoughts

(by Val Villerel)

I know you're with us though you're  
gone

You've left us here to carry on  
We'll think of you each night and day  
You're in our thoughts when we pray  
Although you're up there in God's care

How could he think to ever dare  
To take the one that made us smile  
And peacefully make  
Our day worth while  
So as the night turns into rest

We'll know you're up there with the  
best

Just hear our prayers oh when we pray  
I think your soul is here to stay  
You made us laugh  
You made us cry  
Oh how I wish this wasn't Good-bye.

# FROM EVERY ANGLE

As we look back upon this year we can cherish the many memories we developed. The school year saw some changes, from the room change of the Guidance Office to the addition of new teachers to the retirement of science teacher Charles Cole. Mr. Sopko was

nominated as the best Athletic Director in the State of Indiana and received a \$1,000 scholarship for a student athlete at Calumet. We hope this yearbook will help you recall FROM EVERY ANGLE the things that helped make this year special for you.

## Montgomery All-State

Numbers along with inexperience are the two main factors for the football teams record of 2-7

The coaching staff was very disappointed with the team's final record.

Since Calumet was reclassified to a lower class, regardless how tough their conference schedule was or what their regular season record

was, the coaches truly thought that no team in our sectional was that tough and that we should have won sectional competition.

Calumet's team record was not impressive, but we did have some outstanding individual performances. This helped tremendously to relieve the pain for their failure as a team.

# Rough Tough Volleyball Stuff

The girls' volleyball team began the season with only three returning lettermen, but managed to pull off a very impressive season. The girls worked hard all season to maintain the team spirit. The team ended the season at 8-16, but shows much promise for the future. The team will miss it's three seniors, Michelle Widelski, Michelle Kasarda, and Barb Haynes, but will build on its seven returning team members.

# New Coach Arrives

Under the new guidance of Coach Gobbie, the Calumet Warriors tennis team stabilized a fair season. The netters exemplified a skillful season in which many goals were attained. For example, Senior Rawn Emig qualified for state competition and unfortunately ended up with second place.

Next year will be a rebuilding year for the Warrior tennis team due to the loss of many senior tennis players who led the team this year.

Senior Rawn Emig had a 43 match winning streak over the last two years. During that two year period he did not lose a single set, he was also undefeated in doubles over the last two years. He was also selected to all-conference team in '85, '86 & '87. The tennis team will lose a great competitor this year.
